## 1. Introduction and aims

At **Dar ul Madinah** we recognise that mobile phones and similar devices, including smartphones/smart watches, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to safeguarding, behaviour management, complaints and social media.

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices such as smart watches, smart glasses or any other audio visual recording gadgets.

## 2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

## 3. Roles and responsibilities

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The **headteacher** is responsible for monitoring the policy every **3** years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

## 4. Use of mobile phones by staff

The DfE's non-statutory mobile phone guidance says that staff should not use their own mobile phone for personal reasons in front of pupils throughout the school day.

### 4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while **children are present**. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number **0116 319 1040** as a point of emergency contact.

### 4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard or Microsoft Co-pilot).

More detailed guidance on data protection can be found in school's data protection policy.

### 4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

If your school includes similar details about connecting with parents/carers or pupils over messaging apps or social media in your ICT acceptable use or online safety policies, you should cross-reference those policies [here](#).

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

### 4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions
- Use of multi-factor authentication
- Emergency evacuations

- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

## 4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

## 4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

# 5. Use of mobile phones by pupils

The DfE's non-statutory mobile phone guidance says that pupils should not use mobile phones throughout the school day.

Pupils should not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

Dar ul Madinah Primary School approach to pupils bringing mobile phones to school:

- Pupils keeping mobile phones in a secure location, such as lockers or
- Handing them over into the office

## 5.1 Use of smartwatches by pupils

The DfE's [non-statutory mobile phone guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

Dar ul Madinah Primary School approach to pupils bringing smartwatches to school:

- Pupils keeping smartwatched in a secure location, such as lockers or
- Handing them over into the office

## 5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should contact **the headteacher**.

Any pupils who are given permission must then adhere to the school's **code of conduct** for mobile phone use (see appendix 1).

## 5.3 Sanctions

**If anyone is found to breach this policy, the following action will be taken:**

- **Will mobile phone will be confiscated**
- **Confiscated mobile phones can only be collected by the parents at the end of the school day. Parents must discuss this with the class teacher/headteacher.**
- **School's behaviour policy will be followed and the pupil will be given appropriate sanction.**

**Under certain circumstances, staff have the power to search pupils' phones, if there is a good reason to do so (such as having reason to believe the phone contains pornographic images, or if it is being/has been used to commit an offence or cause harm to another person).**

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of [Keeping Children Safe in Education](#)

## 6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including directors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

## 7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure that the phones are appropriately labelled and are stored securely when not in use.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Confiscated phones will be stored in the **school office in a secure location**.

Lost phones should be returned to **a member of staff**. The school will then attempt to contact the owner.

## 8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

**If there are any concerns regarding this policy, these should be brought to the attention of the headteacher in a timely manner.**

## 9. Appendix 1: **Acceptable use agreement** for pupils allowed to bring their phones to school due to exceptional circumstances

### **Acceptable use agreement**

You must obey the following rules if you bring your mobile phone to school:

1. You may not use your mobile phone during lessons, unless the teacher specifically allows you to.

11. Don't use your phone to view or share pornography or other harmful content.

13. Mobile phones are not permitted in any internal or external exam or test environment. If you have a mobile phone, you will be asked to store it appropriately, or turn it over to an exam invigilator, before entering the test room.
